Subproceeding: C-125-C

3:73-CV-00128-RCJ-WGC

**ORDER RELATING
TO COMPLETION OF SERVICE**

On October 25, 1994, Mineral County filed a Notice of Motion and Motion for Intervention and a Petition to Intervene in the C-125-B case. (C-125-B Doc. Nos. 31-32). On January 3, 1995, the Court created subfile C-125-C, or 3:73-CV-128. Minutes of the Court, at 1 (C-125-C Doc. No. 1).¹ On February 9, 1995, the Court ordered Mineral County to file revised Intervention Documents and to serve these Intervention Documents on all claimants to the waters of the Walker River and its tributaries pursuant to Federal Rule of Civil Procedure 4. Order

¹ Unless otherwise noted, all document references are to C-125-C documents.

1 Requiring Service of and Establishing Briefing Schedule Regarding the Motion to Intervene of
2 Mineral County, ¶¶ 2, 3 (Doc. No. 19). Mineral County filed its Amended Complaint in
3 Intervention, (Doc. No. 20), Amended Memorandum of Points and Authorities in Support of
4 Mineral County's Amended Complaint in Intervention, (Doc. No. 21), and Motion for
5 Preliminary Injunction; Memorandum of Points and Authorities; Affidavit of Kelvin J.
6 Buchanan; and Affidavit of Gary L. Vinyard, Ph.D. (Doc. No. 22), on March 10, 1995.² On
7 September 29, 1995, the Court clarified the February 9 Order and the set of documents that
8 Mineral County was required to serve on claimants to the waters of the Walker River and its
9 tributaries. Order, at 2 (Doc. No. 48). Over the ensuing years Mineral County completed service
10 on the vast majority of proposed defendants.
11

12 On August 29, 2008, Mineral County filed a Service Report indicating that service is
13 close to complete and requesting that the Court requesting that the Court confirm the caption
14 submitted by Mineral County, amend certain names in the caption, strike certain names from the
15 caption, and substitute other names in their stead, ratify service efforts for several proposed
16 defendants, and clarify the status of service on several proposed defendants. Mineral County
17 Report Concerning Status of Service on Proposed Defendants (Doc. No. 479). On September 27,
18 2011, Magistrate Judge Leavitt issued an Order Concerning Service Issues in C-125-C (Doc. No.
19 547), which granted the requests made in Mineral County's August 2008 Service Report. WRID
20 filed objections to that Order (Doc. Nos. 552 & 553), Mineral County responded (Doc. No. 563),
21 and the Court overruled those objections in its April 23, 2012 Order with the exception of

26 ²Together, all five of these documents relating to Mineral County's Motion for Intervention will
27 be referred to as Mineral County's "Intervention Documents."
28

1 WRID's objection to the dismissal of Michael Sherlock, who will remain in the caption and must
2 be served pursuant to Fed. R. Civ. P. 4. Order, at 22-27 (Doc. No. 592).³

3 Mineral County is now ready to move forward with its final service efforts in C-125-C.
4 On June 7, 2012, Mineral County submitted a Report Concerning Status and Completion of
5 Service containing a final service list of proposed defendants to be served pursuant to Rule 4, an
6 updated caption reflecting all orders of the Court to date, and a service package for approval by
7 the Court, which includes Mineral County's Intervention Documents, a Notice in Lieu of
8 Summons, a Notice of Lawsuit and Request for Waiver of Personal Service of Notice in Lieu of
9 Summons, and associated forms listed in paragraph 4 below. The Court finds that the list of 107
10 proposed defendants that remain to be served, submitted by Mineral County in its June 7, 2012
11 Report Concerning Status and Completion of Service, based upon previous orders of the Court,
12 represents the final list of defendants to be served pursuant to Rule 4. The Court also finds that
13 the updated caption submitted by Mineral County accurately reflects all orders of the Court to
14 date. The Court further finds that the service package submitted by Mineral County complies
15 with and is consistent with all orders of the Court to date.

16 **THEREFORE, IT IS HEREBY ORDERED** as follows:

17 1. Based on previous orders of the Court, the final list of proposed defendants to be
18 served pursuant to Rule 4 submitted by Mineral County is hereby approved and is attached
19 hereto as Attachment A.
20

21 2. The updated caption submitted by Mineral County is hereby approved as accurate
22 and valid because it is consistent with all previous Orders of the Court that added and dismissed
23 parties and is attached hereto as Attachment B.
24

26 ³ As the Court noted, in its April 23, 2012, Order, Mineral County already had agreed that
27 Michael Sherlock should not be dismissed and will be served.
28

13

14 6. If Mineral County intends to seek a waiver of service of the above documents,
15 pursuant to the provisions of Fed. R. Civ. P. 4(d), Mineral County shall allow thirty (30) days for
16 return of the waiver of service and shall include with the mailing to persons requested to waive

9

10 7. At such time as all service required by this Order is complete, Mineral County
11 shall file a statement to that effect.

12 8. Once service has been deemed complete by the Court, the Court will set a
13 schedule for responses to Mineral County's Intervention Documents. At that time, proposed
14 defendants who have entered appearances will receive notice of the schedule for responses.
15

16 9. Persons, corporations, institutions, associations or other entities who waive
17 service or are served but who do not appear shall nevertheless be deemed to have notice of
18 subsequent orders of the Court with respect to the Notice of Motion and Motion for Intervention,
19 answers or other responses to the Proposed Petition to Intervene and Amended Complaint in
20 Intervention, or responses to the Motion for Preliminary Injunction.
21

22 **10. Treatment of Defendants Who Transferred Their Interest(s) Prior to**
23 **Service:**

24 Pursuant to the Court's September 6, 2011 Amended Order Concerning Service Issues
25 Pertaining to Defendants Who Have Been Served (Doc. No. 542), if any person or entity
26 receiving service by mail or personal service has no interest in any water right subject to
27
28

1 subproceeding C-125-C, that person or entity shall notify the Court and Mineral County in
2 writing of that fact.

3 If such a person or entity sold or otherwise conveyed ownership of *all* water rights
4 subject to Subproceeding C-125-C before being served or otherwise brought into the
5 Subproceeding, in addition to disclaiming any interest in C-125-C, that person or entity shall
6 include a notice providing the same successor-in-interest information required to be included in a
7 Motion for Substitution.
8

9 The form and substance of the Disclaimer and Notice shall substantially conform to the
10 form attached to this Order as Attachment E and shall be sent to the Court and counsel for
11 Mineral County.

12 Any person or entity who files a Disclaimer of Interest using the attached form or
13 provides information for this purpose by other means is responsible for the accuracy of that
14 filing. Consequently, any person or entity who files a Disclaimer of Interest of water rights
15 subject to this litigation, but retains such water rights, shall nevertheless be bound by the results
16 of this litigation.
17

18 Following its receipt from any person or entity disclaiming any interest in any of the
19 water rights at issue in this case, Mineral County will review the materials received, and, if
20 appropriate, request that the Court dismiss that person or entity from Subproceeding C-125-C.
21

22 If Mineral County does not receive a Waiver of Personal Service of Notice in Lieu of
23 Summons and must personally serve a person or entity who subsequently files a Disclaimer of
24 Interest pursuant to this Order, Mineral County will review the materials received, and, if
25 appropriate, request that the Court dismiss the person or entity from Subproceeding C- 125-C,
26
27
28

1 but that person or entity may be subject to paying the costs related to formal personal service on
2 them.

3 **11. Treatment of Successors-in-Interest As a Result of an *Inter Vivos*⁴ Transfer:**

4 Pursuant to the Court's September 6, 2011 Amended Order Concerning Service Issues
5 Pertaining to Defendants Who Have Been Served (Doc. No. 542), where a defendant has been
6 served in this subproceeding and subsequently sells or otherwise conveys a water right or portion
7 of a water right subject to the subproceeding, the successor(s)-in-interest need not be re-served,
8 but will be bound by the results of this litigation.
9

10 Once a defendant has been served in a subproceeding, the burden of keeping track of
11 *inter vivos* transfers of the defendant's water rights in that subproceeding and substituting the
12 defendant's successors-in-interest properly is born by the defendant and its successor(s)-in-
13 interest. The action will continue in the name of the served defendant until such time as the
14 served defendant and any successor(s)-in-interest file an agreement and motion seeking the
15 substitution of the successor(s)-in-interest for the served defendant and the Court approves that
16 substitution.
17

18 If a defendant who has been served in a subproceeding subsequently sells or otherwise
19 conveys a water right or a portion of a water right subject to that subproceeding, that defendant
20 and its successor(s)-in-interest may move for substitution pursuant to Fed. R. Civ. P. 25(c).
21

22 If the Court approves the substitution of a successor-in-interest for a served defendant in
23 a subproceeding, the action will continue against the successor-in-interest, who will be treated as
24

25 ⁴ *Inter vivos* means among the living. Transfers that occur because a served defendant has died are addressed below
26
27
28

1 a served defendant for the pendency of the subproceeding and shall be bound by the
2 requirements of this Order and all prior and subsequent Orders in that subproceeding.

3 If a defendant who has been served in a subproceeding subsequently acquires additional
4 water rights that are subject to that subproceeding, the prior service on the defendant shall be
5 effective as to all water rights held by that defendant, including any rights acquired subsequent to
6 service.

7
8 The Court has approved the attached form (Attachment F) for use by defendants and their
9 successors-in-interest in subproceedings C-125-C, under the above circumstances. Attachment F
10 sets forth a joint motion by which both the current defendant and its successor(s)-in-interest may
11 identify the rights transferred and indicate their agreement that the successor(s)-in-interest be
12 substituted into the applicable subproceeding for the water rights addressed. This form is not the
13 exclusive means by which successors-in-interest may be substituted into this action.

14
15 **12. Treatment of Successors-in-Interest As a Result of a Death:**

16 Pursuant to the Court's September 6, 2011 Amended Order Concerning Service Issues
17 Pertaining to Defendants Who Have Been Served (Doc. No. 542), if a party dies during the
18 course of this litigation, the court may order substitution of the proper party. A motion for
19 substitution may be made by any party or by the decedent's successor or representative. If the
20 motion is not made within ninety (90) days after service of a statement noting the death, the
21 action by or against the decedent must be dismissed." Fed. R. Civ. P. 25(a)(1).

22
23 If no such notice or suggestion of death is made on the record, the case may proceed to
24 judgment with the original named parties. A Statement Noting Death must be filed in all
25 subproceeding(s) of this case in which the decedent was a defendant, and service of the statement
26 must identify the successor(s) to the estate who may be substituted for the decedent.

1 A notice filed in one subproceeding shall not be construed as “service of a statement noting the
2 death” in the other subproceeding for purposes of complying with the Amended Order
3 Concerning Service Issues Pertaining to Defendants Who Have Been Served or FRCP 25(a).

4 Should a death be formally noted on the record by service of a statement noting the death
5 filed in subproceeding C-125-C, Mineral County, or any other party or the decedent’s
6 representative and/or successor(s)-in-interest shall move for substitution of the proper
7 successor(s)-in-interest within ninety (90) days of such notice pursuant to Fed. R. Civ. P. 25(a).
8 The 90-day period may be extended pursuant to Rule 6(b), which provides the Court with the
9 discretion to enlarge this period. Fed. R. Civ. P. 6(b).

11 The form and substance of the Statement Noting Death shall substantially conform to the
12 form attached to this Order as Attachment G and shall be sent to the Court and served on counsel
13 for Mineral County, the Walker River Irrigation District, the United States, Walker River Paiute
14 Tribe, Nevada, California, and the United States Board of Water Commissioners at their
15 respective addresses.
16

17 Absent service of a Statement Noting Death in a subproceeding, the case may proceed
18 against the original named parties in that subproceeding and will bind any and all successor(s)-
19 in-interest.
20
21
22
23
24
25
26
27
28

1 If a successor-in-interest already is a defendant in either subproceeding as a joint tenant
2 or pursuant to other joint ownership of the right(s) owned by the decedent, no action is required
3 and the subproceeding will continue against the successor-in-interest.

11 been made aware of the fact that the water right(s) described in Section III above
12 are subject to this subproceeding, which is entitled *United States v. Walker River*
13 *Irrigation District*, and which is docket number 3:73-cv-00128-RCJ-WGC, In

15 District of Nevada, and that I am bound by all Orders in this subproceeding;
16 B. Acknowledges that I/we/entity (or the entity on whose behalf I am acting) need

26 P. 25(c) regarding this motion.

27 **VI. Certifications and Acknowledgements:**

28 By this filing, the Current Defendant and Proposed Defendant acknowledge that:

- A. Federal Rule of Civil Procedure 25(c) governs the substitution of successors-in-
 interest that are the result of a transfer, other than those resulting from the death of
 a defendant, and provides in relevant part that “[i]f an interest is transferred, the

1 action may be continued by or against the original party unless the court, on
2 motion, orders the transferee to be substituted in the action or joined with the
3 original party....”;

- 4 B. Rule 25(c) does not require that anything be done after an interest is transferred,
5 which means that the action may be continued by or against the original party,
6 and the judgment will be binding on his successor-in-interest even though the
7 successor-in-interest is not named;
- 8 C. Absent the filing of this or a similar motion, this action would continue in the
9 name of the Current Defendant, but would nevertheless bind the Proposed
10 Defendant and any future successors-in-interest to the results of the litigation;
- 11 D. Other parties to the case, acting pursuant to the Federal Rules of Civil Procedure,
12 may wish to file their position(s) regarding the merits of this motion, and may
13 support, oppose or take no position on the merits of this motion;
- 14 E. Following the filing of this motion, the action will continue in the name of the
15 Current Defendant for the water right(s) identified herein until such time as the
16 Court approves the substitution requested herein. While substitution does not
17 automatically dismiss a Current Defendant from this subproceeding, the Court
18 may dismiss the Current Defendant if that Defendant no longer has any water
19 rights subject to this proceeding.

Attachment H – Notice of Lawsuit and Request for Waiver of Personal Service of Notice in Lieu of Summons

Attachment H – Notice of Lawsuit and Request for Waiver of Personal Service of Notice in Lieu of Summons

**NOTICE OF LAWSUIT AND REQUEST FOR WAIVER OF PERSONAL SERVICE OF
NOTICE IN LIEU OF SUMMONS**

To: _____ (As _____ of
_____)

You have been named as a Defendant in a civil action. A Notice of Motion and Motion for Intervention, Proposed Petition to Intervene, Amended Complaint-in-Intervention, and a Motion for Preliminary Injunction by Mineral County, Nevada, all claiming a right to a minimum level of water for Walker Lake (“Intervention Documents”), which may affect the water rights that you (or the entity on whose behalf you are addressed) claim under the Walker River Decree, have been filed in the United States District Court for the District of Nevada, Reno, Nevada, Case No. C-125. This matter has been assigned Subfile No. C-125-C, docket number 3:73-cv-0128-RCJ-WGC.

Rule 4 of the Federal Rules of Civil Procedure provides that under certain circumstances you can avoid being assessed the cost of being personally served if you sign a waiver and accept service by mail. The materials that have been sent to you in this package include a waiver form, instructions, and a self-addressed, stamped envelope for returning the waiver form. There are also other documents enclosed that address the sale or other conveyance of your water rights or if you believe that you should not be a party to this lawsuit. Please read these materials carefully, as they are important to your legal rights.

Enclosed are the following eleven (11) documents:

1. **Waiver of Personal Service of Notice in Lieu of Summons:** Two copies of this document are enclosed, one for your records and one that you may send in the

enclosed stamped and addressed envelope to Simeon Herskovits, the attorney for Mineral County, if you choose to execute the document.

2. **Order Relating to the Completion of Service;**
3. **Notice of Appearance and Intent to Participate Form.** If you choose to sign this document, you **must** file the original with the District Court and you **must** send a copy of the document to the parties listed on the Notice of Appearance and Intent to Participate Certificate of Service;
4. **Disclaimer of Interest in Water Rights and Notice of Related Information and Documentation Supporting Disclaimer Form**
5. **Joint Motion for Substitution of Parties Following Transfer of Interest Form;**
6. **Statement Noting Death Form.**
7. **Mineral County's Notice of Motion and Motion for Intervention** (October 25, 1994).
8. **Mineral County's Proposed Petition to Intervene, Memorandum of Points and Authorities, and Supporting Affidavits of Kelvin F. Buchanan, Herman F. Staat, Marlene Bunch, and Louis Thompson** (October 25, 1994).
9. **Mineral County's Amended Complaint in Intervention** (March 10, 1995).
10. **Mineral County's Amended Memorandum of Points and Authorities in Support of Mineral County's Amended Complaint in Intervention** (March 10, 1995).
11. **Mineral County's Motion for Preliminary Injunction and Memorandum of Points and Authorities and supporting affidavits** (March 10, 1995).

This is not a formal notification from the Court, but rather a request by Counsel for Mineral County that you sign and return the enclosed WAIVER OF PERSONAL

SERVICE OF NOTICE IN LIEU OF SUMMONS in order to save the cost of serving you with a Judicial Notice in Lieu of Summons, and additional copies of the Notice of Motion and Motion to Intervene, Proposed Petition to Intervene, Amended Complaint in Intervention and Memorandum of Points and Authorities in Support of Amended Complaint in Intervention, Motion for Preliminary Injunction, and related forms referenced above. If you do not send a signed copy of the waiver to Mineral County within thirty (30) days after the date designated below as the date on which this Notice and request is sent, you may be liable for the cost of personally serving you. We enclose a self-addressed, stamped envelope for your use. An extra copy of the waiver is also attached for your records.

If you comply with this request and return the signed waiver, it will be filed with the Court and no additional copies of the above-referenced documents will be served on you. The matter will then proceed as provided in paragraph 2 of the Order Relating to Completion of Service, which is included with this notice.

If you return the signed **WAIVER OF PERSONAL SERVICE OF NOTICE IN LIEU OF SUMMONS**, you are not obligated to respond to any of Mineral County's Intervention Documents, except upon further order of the Court. However **IF YOU WISH TO PARTICPATE IN THIS CASE**, you are required, within thirty (30) days of your execution of the **WAIVER OF PERSONAL SERVICE OF NOTICE IN LIEU OF SUMMONS**, to file and serve a **NOTICE OF APPEARANCE AND INTENT TO PARTICIPATE** with the Court and mail a copy of the notice to the parties listed on the **NOTICE OF APPEARANCE AND INTENT TO PARTICIPATE form**. As noted above, a

1 copy of a NOTICE OF APPEARANCE AND INTENT TO PARTICIPATE form that you may
2 choose to use is attached.

3 **If you do not return the signed WAIVER OF PERSONAL SERVICE OF NOTICE**
4 **IN LIEU OF SUMMONS within the time indicated, we will take appropriate steps to effect**
5 **formal service in a manner authorized by the Federal Rules of Civil Procedure and will**
6 **then, to the extent authorized by those Rules, ask the Court to require you (or the party on**
7 **whose behalf you are addressed) to pay the full cost of such service. In that connection,**
8 **please read the statement concerning the duty of the parties to waive service of the notice in**
9 **lieu of summons, which is attached hereto.**

11 **The Order Relating to Completion of Service requires you to notify the Court and**
12 **Mineral County within thirty (30) days of being served if you contend that you have been**
13 **included in this litigation in error because at the time you were served, you claimed no**
14 **water right under the Walker River Decree. If you contend that you have been included in**
15 **this litigation in error, the Order Relating to Completion of Service also requires you to provide**
16 **certain information and documents related to the transfer of water rights that would be part of**
17 **this litigation. If you disclaim any water right in this litigation, you must comply with the Order**
18 **Relating to Completion of Service and you may use the form entitled DISCLAIMER OF**
19 **INTEREST IN WATER RIGHTS AND NOTICE OF RELATED INFORMATION AND**
20 **DOCUMENTATION SUPPORTING DISCLAIMER, which is attached to the Order Relating to**
21 **Completion of Service and included herein.**

24 The Order Relating to Completion of Service also provides that if, during the course of
25 this litigation, you sell or otherwise convey ownership of all or a portion of any water right under
26

1 the Walker River Decree, you may use the JOINT MOTION FOR SUBSTITUTION OF
2 PARTIES FOLLOWING TRANSFER OF INTEREST FORM, which is attached to the Order
3 Relating to Completion of Service and included herein, to substitute your successor(s)-in-
4 interest. You should retain this Order and the attached form for use whenever appropriate during
5 the course of this litigation. You may also wish to make additional copies of the form attached
6 to the Order for use if you sell or otherwise convey ownership of applicable water rights on more
7 than one occasion during the course of this litigation. Pursuant to the Order Relating to
8 Completion of Service and other orders of the Court, even if a successor-in-interest is not
9 substituted, the successor will nonetheless be bound by the final decision of the Court.
10

11 The STATEMENT NOTING DEATH form, which is attached to the Order Relating to
12 Completion of Service and included herein, is for use by heirs or successors-in-interest should
13 the named Defendant die during the course of litigation. The contact information for the heir or
14 successor must be included on this form. When a Statement Noting Death is filed with the
15 Court, it must also be served on all parties listed on the form and filed with the Court. After a
16 Statement Noting Death is filed and served, any party to the case may move to substitute the
17 proper successor-in-interest to the deceased Defendant. Pursuant to the Order Relating to
18 Completion of Service and other orders of the Court, if no suggestion of death is filed, even if a
19 successor-in-interest is not substituted, the successor will nonetheless be bound by the final
20 decision of the Court.

**DUTY TO AVOID UNNECESSARY COSTS OF
SERVICE OF SUMMONS AND OTHER DOCUMENTS**

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the documents as referenced in the notice with which you have been provided. A party located in the United States who, after being notified of this matter and asked by the proposed Plaintiff-Intervenor, Mineral County, Nevada, to waive service of the documents, and fails to do so, will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the Notice of Motion and Motion to Intervene, Proposed Petition to Intervene, Amended Complaint-in-Intervention, or Motion for Preliminary Injunction are unfounded, or that the matter has been brought in an improper place or in a court that lacks jurisdiction over the subject matter thereof or over your person or property. A party who waives service of the documents retains all defenses and objections (except any relating to the service of these documents), and may later object to the jurisdiction of the Court or the place where the matter has been brought.

A party who waives service must enter an appearance pursuant to paragraph 4(d) of the Order Relating to Completion of Service if the party wishes to participate in this case, and if the party fails to do so the party shall nevertheless be deemed to have notice of subsequent orders of the Court and filings of the parties with respect to the Notice of Motion and Motion for Intervention, the Proposed Petition to Intervene, the Amended Complaint-in-Intervention, or the Motion for Preliminary Injunction.

Consequently, the undersigned Current Defendant and Proposed Defendant acknowledge that any defendant who files such a motion, but, in fact, retains the water rights addressed in this motion, shall nevertheless be bound by the results of this litigation.

This Section applies to any Proposed Defendant that is not already a Defendant in this case based on its ownership of other water rights. By its signature to this motion, the Proposed Defendant:

- A. Acknowledges that I/we/entity (or the entity on whose behalf I am acting) have been made aware of the fact that the water right(s) described in Section III above are subject to this subproceeding, which is entitled *United States v. Walker River Irrigation District*, and which is docket number 3:73-cv-00128-RCJ-WGC, In Equity C-125, Subfile No. C-125-C, in the United States District Court for the District of Nevada, and that I am bound by all Orders in this subproceeding;
- B. Acknowledges that I/we/entity (or the entity on whose behalf I am acting) need not be served separately or personally, pursuant to Fed. R. Civ. P. 4, with a Notice in Lieu of Summons, the instant motion or any other previous filing in this subproceeding;
- C. Acknowledges that I/we/entity (or the entity on whose behalf I am acting) may file a NOTICE OF APPEARANCE AND INTENT TO PARTICIPATE in the Court at the address indicated in Section VII, below; and
- D. Acknowledges that I/we/entity (or the entity on whose behalf I am acting) will retain all defenses or objections to the lawsuit or to the jurisdiction or venue of the Court, except for objections based on a defect in service pursuant to Fed. R. Civ. P. 25(c) regarding this motion.

VI. Certifications and Acknowledgements:

By this filing, the Current Defendant and Proposed Defendant acknowledge that:

- A. Federal Rule of Civil Procedure 25(c) governs the substitution of successors-in-interest that are the result of a transfer, other than those resulting from the death of a defendant, and provides in relevant part that “[i]f an interest is transferred, the

1 action may be continued by or against the original party unless the court, on
2 motion, orders the transferee to be substituted in the action or joined with the
3 original party....”;

- 4 B. Rule 25(c) does not require that anything be done after an interest is transferred,
5 which means that the action may be continued by or against the original party,
6 and the judgment will be binding on his successor-in-interest even though the
7 successor-in-interest is not named;
- 8 C. Absent the filing of this or a similar motion, this action would continue in the
9 name of the Current Defendant, but would nevertheless bind the Proposed
10 Defendant and any future successors-in-interest to the results of the litigation;
- 11 D. Other parties to the case, acting pursuant to the Federal Rules of Civil Procedure,
12 may wish to file their position(s) regarding the merits of this motion, and may
13 support, oppose or take no position on the merits of this motion;
- 14 E. Following the filing of this motion, the action will continue in the name of the
15 Current Defendant for the water right(s) identified herein until such time as the
16 Court approves the substitution requested herein. While substitution does not
17 automatically dismiss a Current Defendant from this subproceeding, the Court
18 may dismiss the Current Defendant if that Defendant no longer has any water
19 rights subject to this proceeding.
